Westminster School for Young Children (WSYC) is operated entirely on funds received from tuition and fees. Prompt and regular payments must be made in order for a child to remain in the school. The first semester tuition (September-December) is due by Friday, July 15. The second semester tuition (January-May) is due by Thursday, January 5.

At the time a child is officially accepted into WSYC, a \$250 non-refundable deposit is required, due by February 3 to hold the space. This deposit is then applied to the annual amount of tuition for the coming year. If you require other terms for paying tuition, please make those arrangements with the Director or Office Manager by July 15.
