Registration fee: TBA

Tuition: TBA

WSYC is operated entirely on funds received from tuition and fees. Prompt and regular payments must be made in order for a child to remain in the school. The first semester tuition (Sept-Dec) is due by July 15. The second semester tuition (Jan-May) is due by January 5.

At the time a child is officially accepted into WSYC, a \$250 non-refundable deposit is required by February 3 to hold the space. This deposit is then applied to the annual amount of tuition for the coming year. If other terms for paying tuition are necessary, please make those arrangements with the Director or Office Manager by July 15.
